FROM THE PRINCIPAL

Dear Parents and Community Members,

Learning at Bolton Primary School is guided by our district mission question: How do we create learning communities for the greatest thinkers and most thoughtful people...for the world? Our school is committed to high quality learning for each student. We are dedicated to promoting the growth and success of all students as learners.

We use classroom work and assessments, student-teacher conferences and regularly scheduled measures that include state assessments to evaluate students' progress, plan instruction and identify areas for school improvement. The Oregon school report card provides additional information. Our

goal is to provide rigorous and rich learning while also ensuring that all students are supported and recognized as individuals who are becoming increasingly confident and competent. We appreciate and welcome partnerships with families and believe they strengthen our school community.

Thank you,

Principal | Holly Omlin-Ruback

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.

See report cards from previous years to view historical OAKS performance data.
