## Incident Weather/Snow Routes 2022-2023

### Bolton Primary School-Morning Bus Stops

Snow bus routes have been developed for some routes. These alternate, safer routes will be used when ice and/or snow create dangerous driving conditions on certain roads. When snow routes are announced, there will be no service to some bus stops. Alternate bus stops will be used. Times will be adjusted for late starts based on the times listed.

If snow routes are in effect in the morning, those same buses will be on snow routes in the afternoon, too, regardless of the weather by that time.
