GPA and CLASS RANK

Courses with AP designation carry one extra point. GPA and class rank are reported by both unweighted and weighted point averages on transcripts. No Grade (NG) does not impact GPA. In the 23-24 school year, the letter grade of F has returned to the grading system. An F results in 0.0 completed credits and a 0.0 contributed to the GPA calculation.

All students are ranked at the end of the 6th, 7th, and 8th semesters. The 7th semester rank determines the Valedictorian.
