West Linn - Wilsonville School District

TRANSPORTATION POLICY – CONSENT AND AGREEMENT FORM

District Policy Regarding Transportation of Student-Athletes To and From Off-Campus Events

Regarding transportation <u>to</u> off-campus athletic events, it is the policy of West Linn – Wilsonville School District (the School District) to provide transportation to all athletic events that begin prior to 6:00 pm during the week, as well as selected contests outside the 25-mile radius of our school district.

Regarding return transportation <u>from</u> off-campus athletic events, it is the policy of the School District to provide return transportation for contests that only occur in football, track, and cross country. All efforts will be made to reduce the costs of those three sports with other efficiencies.

Contests that occur outside the 25-mile radius of our school district will be looked at individually to determine the extent of transportation to and from that contest and will be communicated through the coaching staff to the student-athletes and parents of that sport.
